### Annual Report

TO THE SHAREHOLDERS OF ARGUS CORPORATION LIMITED

December 28, 1977.

Your directors present the balance sheet as at November 30, 1977, the statement of income and expenses and the statement of changes in the financial position for the year ended on that date. Also shown are comparative figures for the previous year.

The balance sheet shows the Corporation's investments carried at market value and provision has been made for deferred income taxes payable under the hypothetical assumption that the investments were sold at market prices prevailing on November 30, 1977, and on November 30, 1976 for the comparative statement. In our opinion, such a provision is not a definitive figure. Unrealized gain on investments is estimated at \$68,663,674 at November 30, 1977 and \$62,420,203 at November 30, 1976.

As at November 30, 1977, the net asset value of each of the Corporation's Class C shares and common shares was \$19.62, before providing for the deferred income taxes on capital gains referred to above. Such taxes, if applicable, would amount to approximately 56¢ per share. The comparable net asset value of each Class C and common share at November 30, 1976 was \$18.77 and the comparable deferred income taxes on that date were 79¢ per share.

Income from investments during the year amounted to \$11,745,158 compared to \$11,908,734 for the previous year. Expenses were \$370,444 compared to \$363,873. Net income amounted to \$11,064,914 compared to \$11,380,461 for the year ended November 30, 1976 (\$1.13 compared with \$1.16 per Class C and common share). Earned surplus amounted to \$64,472,174 at November 30, 1977.

In addition to the regular dividends on the Corporation's Class A and Class B Preference Shares, dividends totalling 80¢ per share were paid on the Class C and the common shares during the year. Such payments were within the levels permitted under the Canadian Government's Anti-Inflation Act.

Since November 30, 1976, 4,307 Class A Preference Shares \$2.50 Series and 3,850 Class A Preference Shares \$2.60 Series were purchased and cancelled.

Dominion Stores Limited paid an extra dividend of 12¢ per common share on December 15, 1977, in addition to the regular quarterly dividend of 21¢ per share.

At a recent meeting of the Board of Directors Mr. Thomas G. Bolton, President and Chief Executive Officer of Dominion Stores Limited, was elected a Director of your Corporation.

Shareholders, on request, will receive copies of the annual reports of the companies which comprise the Corporation's investments.

Submitted on behalf of the Board,

John A. McDougald, Chairman and President. A. Bruce Matthews, Executive Vice-President.
